## OFFICE OF THE SUPERINTENDENT OF SCHOOLS

July 2027

To Our Partners in Education:

I hope that you are doing well and that this note finds you enjoying the summer days.

As we plan for the 2026-2027 school year, I wanted to reach out to share sponsorship opportunities that may be of interest to you. Your support and commitment to our Catholic schools in the Diocese of Bridgeport is essential as it allows us to bring our diocesan school leaders and teachers together while offering you direct contact with our principals, presidents, teachers, staff, and board members. We are truly grateful not only for the support you have provided our schools, but also, for the synergistic relationships created with our corporate partners.

Kindly take a moment to review the [2026-2027 Sponsorship Opportunities](#) for this upcoming year's events. We have a dozen opportunities for you to be a part of throughout the year.

I hope you will consider taking advantage of this opportunity to demonstrate to our principals and educators your support and commitment to our Catholic schools. Please email Sharon Luciano at [sharon.Luciano@diobpt.org](mailto:sharon.Luciano@diobpt.org) if you are interested in supporting one of these events or if you have any questions.

Since these events fill up quickly, I would suggest reaching out to Sharon as soon as possible if there is a particular event(s) that you would be interested in attending.

Thank you for your consideration,

Stacie L. Stueber  
Superintendent of Schools
